IMPORTANT INFORMATION AND INSTRUCTIONS

DISTRIBUTION REASON

Specify the reason for your distribution by marking the appropriate checkbox in this section. You may choose "other" to indicate a qualified military reservist distribution, qualified disaster distribution, or a permissible withdrawal of deferrals and earnings under an eligible automatic contribution arrangement (EACA) or qualified automatic contribution arrangement (QACA).

DIRECT ROLLOVER OF ELIGIBLE ROLLOVER DISTRIBUTIONS

There are two ways you may be able to receive a Plan payment that is eligible for rollover: (1) certain payments can be made directly to an IRA or, if you choose, another qualified employer plan, eligible 457(b) plan, 403(a) or 403(b) plan that will accept it (direct rollover), or (2) the payment can be paid to you. If you choose to have your Plan benefit paid to you, you will receive only 80 percent of the payment, because the Plan Administrator is required to withhold 20 percent of the payment and send it to the IRS as income tax withholding to be credited against your taxes. You cannot waive that withholding.

Eligible rollover distributions are all distributions from the Plan except the following:

- required minimum distributions;
- certain distributions that are part of a series of equal (or almost equal) periodic payments that will last for your lifetime (or joint lives of you and your beneficiary) or for a specified period of 10 years or more; and
- distributions due to hardship.

Your Plan Administrator has given or will give you a notice which describes your options in greater detail.

If you want your Plan Administrator to make a **direct rollover** of your Plan payment to an IRA, another qualified employer plan, eligible 457(b) plan, 403(a) or 403(b) plan you must provide certain information about that IRA or plan. Your Plan Administrator will specify that information. The Plan Administrator may ask you to complete and attach a *Direct Rollover Request* or similar form.

If you are a spouse beneficiary, eligible rollover distributions can generally be made directly to another qualified employer plan, eligible 457(b) plan, 403(a) or 403(b) plan, that will accept it (direct rollover) or if you choose, a Traditional, Roth, or SIMPLE IRA or inherited Traditional or Roth IRA. If you are a nonspouse beneficiary, you may only roll over the distribution directly to an inherited Traditional or Roth IRA. If you choose to have your plan benefit paid to you, you will receive only 80 percent of the payment because the plan administrator is required to withhold 20 percent of the payment and send it to the IRS as income tax withholding to be credited against your taxes. **You cannot waive that withholding.** If you choose to roll over to a Roth IRA, you must include all pre-tax assets in your taxable income in the year of the distribution.

EACA/QACA PERMISSIBLE WITHDRAWAL

This form may be used to request a distribution of your deferrals and earnings if you have been automatically enrolled into a 401(k) plan with an eligible automatic contribution arrangement or qualified automatic contribution arrangement.

A distribution of your elective deferrals and their earnings may be requested no later than 90 days after the date of the first deferral. The amount withdrawn must be included in your taxable income in the year distributed, but is not subject to an additional 10 percent early distribution penalty. Any matching contributions associated with the distributed deferrals will be forfeited. Date of first elective deferral _____.

WITHHOLDING NOTICE AND INSTRUCTIONS

Substitute Form W-4P OMB #1545-0074

GENERAL

Distributions from your Qualified Retirement Plan are subject to Federal (and in some cases, State) income tax withholding. For some distributions, you can elect not to have withholding apply. **However, you cannot waive withholding on any eligible rollover distribution that is paid to you.** See the information above for the definition of eligible rollover distribution and a description of the mandatory 20 percent withholding. You may choose to have more than 20 percent withheld by completing the information below. **If you do not make a selection, 20 percent federal income tax and applicable state tax will be withheld on the taxable amount of your distribution.**

Withhold at the rate of _____ % (not less than 20%)

DISTRIBUTIONS THAT ARE NOT ELIGIBLE ROLLOVER DISTRIBUTIONS

Election of No Withholding. If your distribution is not an eligible rollover distribution (see the definition of eligible rollover distribution above) you may elect not to have withholding apply. Check the withholding box (or boxes) if you do not want any Federal (or State, if applicable) income tax withheld from your distribution. Even if you do not have income tax withheld, you are liable for payments of income tax on the taxable portion of your distribution. You may also be subject to tax penalties under the estimated tax payment rules if your payments of estimated tax and withholding, if any, are not adequate.

The election to not have withholding apply does not apply to any periodic or nonperiodic distributions that are delivered outside the U.S. or its possessions to a U.S. citizen or resident alien. If you are a non-resident alien, do not complete this section. Your distributions are generally subject to a tax-withholding rate of 30 percent. A reduced withholding rate, including exemption, may apply if there is a tax treaty between your country of residence and the United States, and you submit Form W-8BEN, *Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding*, or satisfy the documentation requirements as provided under the regulations.

Periodic Distributions. For purposes of the withholding rules on distributions that are not eligible rollover distributions, a periodic distribution is one that is includable in your income for tax purposes and that you receive in installments at regular intervals (e.g., annually, quarterly, monthly, etc.) over a period of time (generally, at least one year).

Periodic distributions are treated as wages for purposes of withholding. If you do not waive withholding on your periodic distributions, Federal income tax will be withheld from each payment as if you were a married individual claiming three withholding allowances. However, you can change the amount of the withholding by filling in the blanks below:

Number of allowances on which withholding is to be computed. _____

Marital Status: Single Married Married, but withhold at higher "Single" rate

Additional dollar amount to be withheld from each payment. \$ _____

Nonperiodic Distributions. If you do not waive withholding on any nonperiodic distribution that is not an eligible rollover distribution, Federal income tax will be withheld at the rate of 10 percent, unless you specify a greater rate here: Rate _____ % (not less than 10%)

CAUTION: Remember that there are penalties for not paying enough tax during the year, either through withholding or estimated tax payments. New retirees, especially, should see Publication 505. It explains the estimated tax requirements and penalties in detail. You may be able to avoid quarterly estimated tax payments by having enough tax withheld from your pension or annuity using Form W-4P.

WAIVER ELECTION FOR QUALIFIED JOINT AND SURVIVOR ANNUITY

Employer. This Waiver Election is applicable to all Money Purchase Pension Plans, Defined Benefit Pension Plans and Target Benefit Plans. It also applies to Profit Sharing Plans and 401(k) Plans if you did *not* select the REA Safe Harbor found in the Adoption Agreement. If you did select the REA Safe Harbor provision and no existing plan assets are subject to the REA annuity requirements, please place a check mark in the indicated box.

Participant. If this election applies (that is, the box is *not* checked) and you want to waive the qualified joint and survivor annuity, you and your spouse must complete the Waiver Election section.
