Dear Applicant:

In our opinion, the form of the plan identified above is acceptable under section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. This opinion relates only to the acceptability of the form of the plan under the Internal Revenue Code. It is not an opinion of the effect of other Federal or local statutes.

You must furnish a copy of this letter, a copy of the approved plan, and copies of any subsequent amendments to each employer who adopts this plan. Effective on or after 10/31/2011, interim amendments adopted by the sponsor on behalf of employers must provide the date of adoption by the sponsor.

This letter considers the changes in qualification requirements contained in the 2010 Cumulative List of Notice 2010-90, 2010-52 I.R.B. 909.

Our opinion on the acceptability of the form of the plan is not a ruling or determination as to whether an employer's plan qualifies under Code section 401(a). The employer can generally rely on the letter as described in Rev. Proc. 2011-49, 2011-44 I.R.B. 608, provided the terms of the plan are followed in operation.

Our opinion does not apply for purposes of Code section 401(a)(10)(B) and section 401(a)(16) if an employer ever maintained another qualified plan for one or more employees who are covered by this plan. For this purpose, the employer will not be considered to have maintained another plan merely because the employer has maintained another defined contribution plan(s), provided such other plan(s) has been terminated prior to the effective date of this plan and no annual additions have been credited to the account of any participant under such other plan(s) as of any date within the limitation year of this plan. Also, for this purpose, an employer is considered as maintaining another plan, to the extent that the employer maintains a welfare benefit fund defined in Code section 419(e), which provides postretirement medical benefits allocated to separate accounts for key employees as defined in Code section 419A(d)(3), or an individual medical account as defined in Code section 415(l)(2), which is part of a pension or annuity plan maintained by the employer, or a simplified employee pension plan.

An employer that adopts this plan may not rely on this opinion letter with respect to: (1) whether any amendment or series of amendments to the plan satisfies the nondiscrimination requirements of section 1.401(a)(4)-5(a) of the regulations, except with respect to plan amendments granting past service that meet the safe harbor described in section 1.401(a)(4)-5(a)(3) and are not part of a pattern of amendments that significantly discriminates in favor of highly compensated employees; or (2) whether the plan satisfies the

Letter 4336

effective availability requirement of section 1.401(a)(4)-4(c) of the regulations with respect to any benefit, right or feature.

An employer that adopts this plan as an amendment to a plan other than a standardized plan may not rely on this opinion letter with respect to whether a benefit, right or other feature that is prospectively eliminated satisfies the current availability requirements of section 1.401(a)(4)-4 of the regulations.

Our opinion does not apply for purposes of the requirement of section 1.401(a)-1(b)(2) of the regulations applicable to a money purchase plan or target benefit plan where the normal retirement age under the employer's plan is lower than age 62.

This is not a ruling or determination with respect to any language in the plan that reflects Section 3 of the Defense of Marriage Act, Pub. L. 104-199, 110 Stat. 2419 (DOMA) or U.S. v. Windsor, 570 U.S. 12 (2013), which invalidated that section.

The employer may request a determination (1) as to whether the plan, considered with all related qualified plans and, if appropriate, welfare benefit funds, individual medical benefit accounts, and simplified employee pension plans, satisfies the requirements of Code section 401(a)(16) as to limitations on benefits and contributions in Code section 415 and the requirements of Code section 401(a)(10)(B) as to the top-heavy plan requirements in Code section 416; (2) with respect to whether a money purchase or target benefit plan's normal retirement age which is earlier than age 62 satisfies the requirements of section 401(a)-1(b)(2) of the Income Tax Regulations; (3) that the plan is a multiple employer plan; (4) whether there has been a partial termination; and (5) to comply with published procedures of the Service (e.g. minimum funding waiver request). The employer may request a determination letter in these circumstances by filing an application with Employee Plans Determinations on Form 5300, without restating for the Cumulative List in effect when the application is filed.

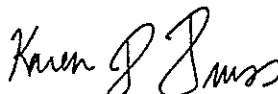

**Because you submitted this plan for approval after April 30, 2016, an adopting employer may not rely on this letter to retroactively amend a plan under section 401(b) of the Internal Revenue Code by adopting the plan within the adoption period ending on April 30, 2016. See Rev. Proc. 2007-44, 2007-2 C.B. 54.**
