- Upon purchase of the asset being funded or its re-registration, Issuer will provide Mainstar Trust with proof of ownership of said asset within 60 days of receipt of purchase funds or request for re-registration. Proof of ownership may be in the form of an original stock certificate, executed subscription documents or by other means acceptable to Mainstar Trust. Issuer further acknowledges that failure to do so may cause Mainstar Trust to distribute the asset which may result in a taxable event to the accountholder.
- The ownership interest and/or certificates will be correctly registered as follows:
 Mainstar Trust, Custodian
 FBO (Accountholder Name, Type of Account, Account Number)
 214 West 9th Street, PO Box 420, Onaga, KS 66521
 Tax ID# 05-0527466
- Accountholders will be provided offering documentation including but not limited to private placement memoranda, prospectuses, operating agreements, and subscription agreements as appropriate for the investment in the asset.
- If applicable, Issuer will inform accountholders that the investment may generate unrelated business taxable income (UBTI). If UBTI is generated, Issuer represents that UBTI information will be included on IRS for 1065 (Schedule K-1) and be provided to accountholders each year.
- Issuer will not use Mainstar Trust's name in advertising, printed or web-based material or any other form of communication without its express written consent.
- To the extent attributable to the fraud, negligence, or misconduct of the Issuer, Issuer will indemnify and hold Mainstar Trust harmless from and against any and all damages, claims, losses, expenses or costs of any nature (including without limitation any court costs and attorney's fees) asserted against or incurred by Mainstar Trust as a result of legal actions involving the investment or the asset.
- All income related to the asset or associated with the investment will be sent directly to Mainstar Trust in accordance with the Asset Payment Instructions on page 3 in a timely manner for credit to the appropriate Mainstar Trust account. Under no circumstances will the Issuer distribute any monies or assets directly to an Mainstar Trust accountholder prior to an in-kind distribution of the asset to the accountholder. Issuer is solely responsible for any tax, legal, or penalty damages and charges associated with the direct distribution of any monies or assets by the Issuer to the accountholder.
- Issuer understands that accountholders may need to re-register or sell part of the asset to meet required minimum distribution rules. Issuer certifies that the asset is structured to permit such distributions.
- Issuer will not accept any subscription document, change or registration request, or change of registered owner address, including dividend payment address, for any asset that lists Mainstar Trust as custodian but does not bear an authorized signature of Mainstar Trust and agrees to notify Mainstar Trust immediately upon receipt of any such documents.
- Issuer understands that the investment company's inability to price the asset annually, provide substantiation of value, provide investment confirmations or send distributions directly to Mainstar Trust may make the asset no longer administratively feasible for Mainstar Trust to custody. In this event, Issuer agrees that upon direction from Mainstar Trust the asset will be reregistered to either the accountholder or to another custodian.
